

Engeseth-Rinde Restoration Fund Grant Application

The Engeseth-Rinde Restoration Fund of Northfield SHARES makes grants of funds for the following purposes:

- Primary Purpose: restoration, research, silviculture and related educational purposes on the **Engeseth-Rinde Unit** of the Prairie Creek Wildlife Management Area.
- Secondary Purpose: restoration, research, silviculture and related educational purposes on **other units** of the Prairie Creek Wildlife Management Area (e.g. Koester Prairie Unit) and other properties within a defined corridor between Nerstrand and Dennison, Minnesota.

This application collects the information necessary for the Advisory Committee to evaluate your funding request to determine if it appropriately supports these purposes. For guidance on completing this application, contact Dave Kuhnau at dbkuhnau@gmail.com. Submit this application by emailing a PDF copy or mailing a paper copy to Dave Kuhnau at the address provided at the end of this form.

Name and address of organization requesting the grant:

Organization:

Street:

City, State, Zip:

Your organization's Federal Tax ID:

Provide information in a separate document about your organization, such as purpose, publicly available financial information, officers, past accomplishments, etc.

Name of person completing this application:

Phone number:

Email:

Name of Project:

Description of the Project: (Include objectives, methods, expected benefits, sites affected, etc. For research or education, include names of individuals and institutions involved, length of time of the study, etc. If this proposal is part of another larger project, provide information about the larger undertaking. Provide an additional document, if needed, to include a full description.)

Describe how your project fulfills the restoration, silviculture, research or educational purposes of the Engeseth-Rinde Restoration Fund. (Provide an additional document if needed to include full description.)

What is the amount of funds you are requesting? \$

In the space provided here, or in a separate document, provide detailed information on how the funds are to be spent. Include the number of items, cost per item, total by line item, and grand total.

Are matching funds available from other sources? Describe and indicate terms on which these funds are available.

When are the funds needed? Are there any time constraints involved in funding this project?

Projects that may affect the site such as restoration or silviculture require written approval from the Minnesota Department of Natural Resources Land Manager responsible for Prairie Creek WMA. Attach written approval, if required.

If your project includes using contractors, provide names of contractors you will contact. Are these contractors approved by the Land Manager of the DNR and do they have the necessary insurance to conduct the planned activity?

Signature of Applicant/Sponsor: _____ **Date:** _____
